15W weatherproof speaker

Thanks to its weatherproof structure, it can be used both indoor and outdoor. It is possible to select 100V or 8 Ohms operation mode and it can therefore be used in any situation.

It offers a power of more than 15 W and its good quality materials make sound performance excellent. It can be wall mounted, either through the included adjustable bracket or by hanging it to a nail through the specific hole on the back.

Its elegant design makes it suitable for any location. It is endowed with a 5" woofer.
