Dual wireless microphone suitable for schools, theater companies and small musical groups. It is provided with 2 handheld wireless microphones and works in UHF band with 100 channels available for each transmitter. It has a wide operating range and the frequency pairing between receiver and microphones is facilitated by the infrared system. It offers an autonomy of about 8 hours. The outputs are both balanced (XLR) and unbalanced (Jack 6.3mm). It can be installed in a standard 19 "rack thanks to the brackets included in the package.

Range freq 645,55 / 688,85 MHZ
