Endowed with large noise-isolation earpads, this is the ideal headphone for gaming, chatting and conference calls. The soft material covering the pads and the headband makes it particularly comfortable, allowing to wear it for hours. It comes with a single cable with two connectors: USB and 3,5 mm 4 pin jack. The USB connector is used exclusively for led powering, while the 3,5mm 4 pin is used to transmit the in and out audio signal. Thanks to its big speakers it can reproduce faithfully any kind of sound.

Cable length: 2m

Microphone type: condenser

### Included adaptors

Plug Jack 3,5mm stereo 4 pin + USB

Kind of headphone/ earphones With microphone
