GT 93R

USB gaming headphone with red leds

Endowed with large noise-isolation earpads, this is the ideal headphone for gaming, chatting and conference calls. The soft material covering the pads and the headband makes it particularly comfortable, allowing to wear it for hours. It comes with a single 2m cable with two connectors: USB and a 4 pin 3,5mm jack. The USB connector is used exclusively to power the leds, while the 4 pin 3,5mm jack transmits the input and output audio signal. Thanks to its big speakers it can reproduce faithfully any kind of sound with an excellent audio performance.

Included adaptors	.
Plug	USB
